District Superintendent's Report

Terry Raburn, Superintendent

Again, this year, as always, I asked the Lord what our theme should be for Council. His answer was quick and clear: "I want this council to be about My Spirit!" There is no more appropriate scripture verse for that emphasis than Acts 2:1, 2 – "And when the day of Pentecost was fully come, they were all with one accord in one place. And suddenly there came a sound from heaven like a rushing mighty wind, and it filled the entire house where they were sitting."

In recent months I have witnessed and received reports of true moves of the Spirit around altars, during retreats and discipleship sessions, while community outreaches were in progress, and even in prayer meetings! I am convinced God is offering us a new season of revival. I asked some of our ministry team to join me in finding an icon for this theme, we boiled the verse down to the word RUSH. We want to rush to respond to God; rush to obey; rush to the harvest field; rush to please our Father.

The ministry schedule for this council will demonstrate this desire. The Wisdom Conference will feature our own Aaron Burke. He and Katherine "Katie" planted Radiant Church in south Tampa just a few years ago. Approximately 2000 now attend three campuses and his leadership has been featured on our national AG website, in CMN publications, and at national church planting events. He will be joined by Chris Sonksen who leads Church BOOM out of California. His session will provide valuable teaching and tools for church revitalization.

It will be my great joy to preach the Keynote message Monday evening.

Tuesday morning, we will have a somber assembly in the Memorial and Communion Service. Pastor Tim Williams lost his dear wife, Suzi, last November and, then, his sister-in-law was one of the victims in the Sebring bank shooting. I am grateful he has agreed to share his thoughts and experiences with us as we honor our beloved dead and gather around the Lord's Table.

Our World Missions rally will feature Paul Thangiah and be led by our Missions Director, Tom Manning. This service is always a high point for our councils. We will give and promise to answer the Lord's command to rush into the entire world and preach the Good News to every creature.

A special privilege will be ours on Wednesday morning during the Ordination Service. Donna L. Barrett, new Executive Secretary of the General Council and the first female Executive in our history, will minister. She will bring a word of commission, instruction, encouragement, inspiration, and anointing to our Ordinees. This will be a historic moment.

All these sessions will equip us to RUSH forward in our calls to serve the Lord. Athena and I, and our PFDC team, have prayed for this council with special expectation and spiritual excitement for what the Spirit wants to do. As I report to you from the year of 2018, I do so with a sincere conviction that the sound of heaven with a mighty RUSHing wind will lead us to respond to the Lords calling!

Brief overviews of 2018 highlights include:

January- We helped Brian and Paula Royer launch Passion Church in Parrish.

February – We installed Dion and Angela Royer Daniels as Senior Pastor of City Life Church in Bradenton and Greg and Beverly Evans as the new Pastors at Orange Park Calvary.

March – We consecrated the remodeled facilities of Southside Assembly in Lakeland and saw record attendance at both our Girls Ministries Powette and PFWomen's Ministries Stronger. Sadly, we bid farewell to a true giant of the Faith: Pastor, Presbyterian, and friend, Cecil Wiggins.

April – Celebrated the 50th Anniversary of PFDC Royal Rangers and saw large attendance at the Men's Ministries MoMENTum and PFYouth Fine Arts Festival. Installed John and Sandra Absher at Bethel Church in Tampa.

May – Enjoyed a great District Council at Winter Park Calvary in Orlando, then helped in the funerals of fellow Superintendent Billy Joe Glover in Dothan, Alabama, and PFDC Presbyterian Edwin Cordero in Laurel, Mississippi.

June – Preached the West Texas District Council in El Paso, then installed Josh and Ashley Moon in Alachua and Jeul and Paulette Strickland in Callahan.

July – Participated in the National Black Fellowship Conference in Cincinnati and the annual General Presbytery which was held in Houston in 2018.

August – The 100th Anniversary of Hispanic Ministry was celebrated in Houston and the National Fine Arts Festival ended on Friday evening, the 3rd. As always, our youth displayed their talents to the glory of God and won many honors for our district.

September – Was a lifetime experience for me. In association with my DMIN program I was able to participate in a week of Pentecostal studies in Los Angeles. Our classes met in the historic Angelus Temple. We toured Azusa Street, Fuller Seminary, and the LA Dream Center. It was a moving educational experience for me. I ministered in Brandon and Clewiston and participated in a special Section 14 celebration of 30 years of leadership from John Baschieri and 20 years from Phil Goss. Very special!

October -We installed Michael Smith as the new Pastor in Starke. Attended our THRIVE women's ministries conference, and ministered in Gainesville, Auburndale, and Fort Lauderdale. For the third consecutive year a hurricane hit or affected the State of Florida. Hurricane Michael slammed our sister, the West Florida District, devastating the Panama City area and destroying almost everything in its path into Georgia. Several Peninsular Florida congregations responded with supplies, building materials, and over \$150,000 in funds to help West Florida recover. Josiah Richwine and I drove a truck (my second trip in as many years) to Marianna to deliver food, water, medical supplies, and clothing to our neighbors.

November – We celebrated Homecoming with Pastor Carlos Ramirez and the congregation of Mt Zion Assembly and the 20th Anniversary of Pastor Les Ray at Cocoa First Assembly as well as participate in the PFYouth Convention in Orlando. We had the honor of installing David Betzer as Pastor at Evangel Church International in Miami and participating in the annual AG Executives Conference, this year in San Antonio. Two tragic funerals marked this month. The memorial for Ed Paine was held at Miami Upper Room and the service for Suzi Williams, wife of Pastor Tim Williams, was in Lake Placid.

December – We had another tremendous honor to start this month. We installed Robbie and Sydney Morrow at LifePoint Church in Sunrise. Then we participated in the SEU Winter Graduation and ended the month at Palm Bay Cornerstone.

Southeastern University President's Report

Kent Ingle, President

As president of Southeastern University, it is always a joy to be able to share highlights from the past year and stories of our students' success with our Districts. It is only through the partnership and support of our churches, alumni and friends that we are able to accomplish our mission of equipping our students to discover and develop their divine design to serve Christ and the World through spirit-empowered life, learning and leadership!

Student Stories

Southeastern University is currently in our eighth straight, record-breaking year of enrollment with a total count of 8,759 students attending classes at SEU at our Lakeland campus, at one of our extension sites or other programs. Southeastern has nearly 100 extension site campuses, many of which are an extension of a partner church. Our extension sites help make ministry training affordable and accessible to all, and of the 8,759 students enrolled at Southeastern, nearly 2,300 are studying for ministry.

Each of our students is on a unique journey of discovery at Southeastern University. For two students, the journey is a story that took them from Nigeria to freedom. Joy Bishara and Lydia Pogu are two young ladies from Chibok, Nigeria who were kidnapped from their government school by the radical Islamic terrorist group, Boko Haram, back in 2014. While they were being driven away by their kidnapers, God moved in a miraculous way and they were able to escape. Through God moving on their behalf, they were able to come to America to finish their high school education and then come to SEU on full scholarships to pursue their college education and live out the potential that God has for their lives!

Another student impacted by your generous support is Xavier Hendrix. Xavier came to Southeastern to play football on a scholarship, and while undergoing a routine physical (which at SEU uniquely includes an EKG scan of the heart), the test showed an abnormality with his heart. This abnormality was one that could have cost him his life if he had not had it surgically corrected. Thankfully, his condition was caught early and now, after three surgeries, he is healthy and continuing his education at Southeastern. Xavier and his parents credit God – and Southeastern – with saving his life!

Finally, we were pleased to just announce that Jaylen Arnold, the founder of Jaylens Challenge Foundation, has chosen to attend Southeastern University this coming fall. At a young age, Jaylen was diagnosed with Tourette's Syndrome and Obsessive-Compulsive Disorder, and starting at age 8, he was bullied at school. Determined to educate people about respect with his anti-bullying message, Jaylen founded Jaylens Challenge with the goal of spreading his anti-bullying message nationwide. His story has been featured on CNN and The Ellen Show, and he has spoken to more than 240,000

students across the nation. He recently received the Princess Diana Legacy Award from Prince William and Prince Harry. Jaylen says his classes and education will take priority, but "when God calls me to action, I will trust He will set everything in place, and I will go!"

These are just a few of the hundreds of student stories of how God is using Southeastern University to impact the lives of these young people to develop their God-given talents and change the world!

Spiritual Life on Campus

Southeastern's spiritual life on campus is thriving, with several opportunities for chapel services, small discipleship groups, and ministry with local churches each week. This year's Conference, our spiritual emphasis week, saw over 3,000 students, faculty, and guests come together for three days of amazing worship and speakers. Students, faculty and staff also participated in a Daniel Fast the week prior to Conference. Additionally, missions continue to be a key focus at Southeastern. By the end of summer, our SEU missions department will have sent hundreds of students out on over 50 short-term mission trips all over the world. These missions trips are in addition to the thousands of hours of service our students provide to our local community.

Project Gateway

Last year, we featured the groundbreaking for SEU's new Welcome Center to be built at the front of the campus, welcoming new and prospective students and parents to Southeastern's campus. That new building is now under construction and will be completed by the start of the 2019-20 academic year in August! The three-story, 31,200- square- foot Welcome Center will serve as a gateway to students who are about to begin their journey to discover their calling and their divine design. And through the generosity of an anonymous donor, donations to help build the new Welcome Center will be matched dollar for dollar up to \$3 million!

Other 2018–19 Highlights

It is difficult to summarize the accomplishments and blessings of God in such a short report; however, here are just a few of the other highlights from this year:

- SEU Fire Athletics teams continue to advance to National NAIA championships, with our Men's baseball team winning the National NAIA 2018 World Series, and both the Men's and Women's Basketball teams advancing to the national playoffs this winter. The Women's Basketball team made it to the finals, finishing in 2nd place nationally!
- The Pathways School of Excellence for secondary school aged students with intellectual disabilities or mild learning or physical challenges continues to grow, with over 40 students enrolled in six classes this year. Not only do our ESE Education majors have the opportunity to intern at Pathways, but several other colleges participate in planning special chapel services, Adaptive PE classes, and music therapy classes for these students.
- Our accounting majors are some of our most sought-after graduates, who have had significantly higher CPA first- time pass rates when they have taken their exam! And Southeastern's Nursing majors had a 100% passing rate in December on their state board exam—the average for the entire state of Florida is only 77%!
- The Center for Pastoral Care and Counseling is already providing training to pastors in the area of pastoral self- care and counseling, and the hope is to introduce a master's level program in Pastoral Care and Counseling through the College of Behavioral and Social Sciences in the near future.

Serving our students at a Christ-centered, student-focused institution is at the heart of what we do at Southeastern. This commitment extends beyond the programs, the classes, and the chapel services. It extends to each student as they leave Southeastern and prepare to go out to fulfill their God-inspired calling. As a supporting district, church, or individual, you are also a part of each and every student's calling and each and every success! Thank you!

Blessings,

Kent J. Ingle, D.Min
President

Assistant Superintendent's Report: Winning Souls and Making Disciples

Scott Young, Assistant Superintendent

God's Four-Fold Plan for Missions

Have you ever had a flat tire? Imagine trying to drive any distance on the three remaining tires. How about driving on two, or one. For a car to make progress with any speed and accuracy it is best to drive on four well-balanced tires.

God wants to build His church (Matthew 16:8). First, the Lord fills His people with power. Then He calls us to move forward and be His witnesses. God gives us His four-fold mission. "But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth" (Acts 1:8). We are called to build His church in Jerusalem (where we live), Judea (the communities around us), Samaria (the people groups we didn't think we are to reach), and to the ends of the earth (world missions). If all four of these are not being fulfilled, then we are trying to move forward without the four essentials. This kind of church will not move forward.

We are so blessed in our PF Family to have so many churches that are reaching out with God's four-fold plan. We have great churches that are winning souls in their communities. We are thankful for the churches that are helping us plant churches in new communities and with new people. We love being a part of a family of churches with a strong commitment to world missions.

The power of the Holy Spirit is given to us to help us reach our Jerusalem, Judea, Samaria, and world. This is the four-fold plan for God's mission.

New Church Planting

We celebrate the eight new church plants in 2018. These churches include, Passion Church (Brian & Paula Royer); Well Spring Church (Lance & Lynn Anderson); Living Waters PAC – Lake Nona (Terry Howell/Gregg & Debbie Thee); Living Waters PAC - Casa Del Rey (Terry Howell/ Wilfredo Fontanez); The Gathering (Brandon & Angela Sirolli); Radiant Church PAC – St. Petersburg (Aaron Burke/Kenton Martin); Brave Church – Kendall (David Stocker); Faith Orlando – Red Bug Lake (Carl Stevens/Jason & Laura Alvarado).

In the past five years, we have helped launched 31 churches that continue to preach the gospel, win souls and make disciples each week. I would like to thank Steve Coad for helping the PF Family as Church Planting Director for these years. He continues to serve with the church planting team.

We now have 8 to 10 new churches in the pipeline for 2019 launches. Your prayers and generous support are helping us reach our harvest fields for Christ. Aaron Burke has stepped up to lead the 2019 team as our current Church Planting Director. The best is yet to come. We appreciate all of our churches and ministers who are our PF Harvest Partners. Thank you!

Please continue to pray to the Lord of the harvest that laborers will hear the call and join us in our mission to reach people who are currently living far away from God. Let's see them come into the Father's House and grow as disciples of Christ.

You can find information and keep up-to-date by checking in to our: www.pfplanting.com

Church Multiplication Network

We continue to work with our fellowship's CMN (Church Multiplication Network). In January, Radiant Church – Tampa hosted "Launch", which is the training seminar for new church planters. In March 5-7, CMN held their first national conference in Dallas. It was a joy to attend along with fellow ministers including Presbyters Aaron Burke and Michael Nelson. Presently over 20% of all Assembly of God churches have been planted in the last 10 years. Our fellowship continues its commitment to church planting with the goal of planting 10,000 new churches in the next decade across the nation. Our dream is to see a healthy spirit empowered church in every community in the nation.

Please continue to connect with this AG ministry at: www.churchmultiplication.net

US Missions

Our US Missionaries are helping us reach lives for Christ. Each Missionary has a unique dream from God to reach lives with the power of the Holy Spirit. We appreciate Greg Evans serving as a coordinator to help encourage these vital ministries. Your prayers, friendship, and financial support of these ministries are vitally important. As we support the four-fold mission plan that Jesus gives us, we need to always remember our Judea and Samaria. These are places and people that are all around us. May the Lord continue to open our eyes to see these souls and give us a heart that is willing to work together to reach them. The national US Missions ministry has listed the various US missionaries on the site below. Please continue to reach out and encourage those who labor in the

mission fields that are closest to us. You can learn more and locate our various missionaries at this site:

www.usmissions.ag.org/MissionaryLocator

Better Together

God has chosen to call you, equip you, and empower you to fulfill the dream he has put into your heart. Never let the enemy stand in your way. Don't let doubt or fear hold you back. We are growing closer to the coming of the Lord. This is the time for us to see a mighty end time revival. As the coming of the Lord draws closer, I believe that the light of God's kingdom grows brighter, and the darkness of evil gets darker. We need to keep sowing our seeds of faith, because in due season an awesome harvest will be seen. Keep walking by faith! Keep yourselves in the love of God.

Let's be people who fulfill the Great Commission (Matthew 28). Let us be filled with the love of the Great Commandment (Matthew 22). To do this, we need to be empowered with the Holy Spirit of the Great Community (Acts 2)

It is a joy for Darla and I to continue to serve the Lord and our fellow ministers in the PF Family. I am so grateful to our Superintendent Terry Raburn for his encouragement and support. When we all work together in unity, we are in the place where God commands His blessing (Psalm 133). We are truly better together!

Look around you! Vast fields of human souls are ripening all around us and are ready NOW for reaping. ~ Jesus (John 4:35)

In Christ,

Scott Young

District Assistant Superintendent

Adult Ministries Report

Ken Pippin, Director

Finish Strong Adult Ministries Department enjoyed a very productive year in 2018.

In February, forty-six people joined Pastor Randy Helms, for a moving and powerful experience visiting the Holy Land. There was great interest in returning in 2020.

March 3 brought another fellowship and fun event enjoyed by 93 adults from twenty-one churches as the department joined with Men's Ministries for a deep sea-fishing trip in the Gulf of Mexico on the Super Queen.

April 7 was the date for the annual spring cruise aboard an authentic paddlewheel, The Barbara Lee, docked in Sanford, FL. This cruise sailing time was changed to 3-6 pm.

July 14, 2018, the Finish Strong Adult Ministries annual conference was held at Grace World Outreach, Brooksville, FL. Keynote speaker Assemblies of God General Superintendent Doug Clay powerfully presented the theme "Cultivating the Call: In Your Life and In Other's Lives. Eight workshop speakers presented pertinent, informative, and life-changing information. Feedback expressed a strong appreciation for the relevance of the topics. Twenty churches and ten ministries participated in the conference. In the Pastors' Forum, pastors and leaders heard Superintendent Clay's heart for the Assemblies of God. We appreciate former Pastor David Garcia, Pastor Daniel Norris, his staff, and church for their help and support of this conference.

September 4-6 Director Ken and Susan Pippin along with several other PF Finish Strong leaders participated in the national SAM Conference held at the Convention Center in Branson, MO. It was a tremendous success as a record crowd of leaders and pastors across the nation gathered to learn how to more effectively minister to those aged 50 and up.

The department was part of the September 14-15, 2018 Pen Florida Experience Conference with good participation from people of all ages.

On hundred and seven people on board the Star Lite Majesty out of Clearwater enjoyed the annual fall dinner cruise October 20 with fabulous food and great fellowship! This cruise is a favorite!

October 27 the department sponsored our first Ride for Missions Bike-a-Thon on the Withlacoochee Trail in Ridge Manor, FL. Almost \$3,000 was raised and distributed to three US Missions works: Loving Hands Ministries-Dade City, Girls Teen Challenge-Lakeland; and One Way Out Ministries-Ft. Myers. This will become an annual event with different ministries sponsored on each ride.

Adult Ministries with Men's Ministries sponsored a successful fall deep sea fishing trip

November 10 aboard the Super Queen out of Clearwater, FL. Sixteen churches participated.

The Power of Two support program at only \$2 per month continued to generate finances for the department.

Directors Ken and Susan Pippin have traveled a significant portion of the district, presenting the vision and mission of the Finish Strong Department. As people and churches are exposed to the department's message, they are responding with growing interest, excitement, and participation. Our goal is to start strong, stay strong, and FINISH STRONG with the Lord Jesus!

R. Ken Pippin

Girls Ministries Report: Rise up and Shine!

Bonnie Pait, Director

We have seen God do so many things in the lives of women and girls across the state this year. We had an amazing Leaders Retreat at Masterpiece Gardens in January. The ladies came away refueled in the Presence of God, equipped and empowered with ideas to take back and apply as they minister to their girls. We had powerful times of worship and hearing from our District Director along with breakouts dealing with helping girls with bullying, bringing creativity into teaching the Word, hands on ideas, and more!

Powette-for girls in 3rd-12th grade- came in March and we saw hundreds of girls encounter the Holy Spirit! We were challenged to walk out our faith and Rise Up in our identity as Children of God! Holy Spirit ministered so powerfully some girls were carried back to their campsites as God continued ministering and setting free! Over 100 girls were filled with the Holy Spirit, many surrendered their hearts to Jesus for the first time, and others were set free from bondage's! Not only did the girls encounter Jesus in the services but throughout the day they enjoyed outdoor activities, made new friends, sat around campfires praying and sharing what God had spoken to them. It always brings so much joy to us when we see girls pursuing Jesus and they can't wait for worship and to hear the Word! We have a generation hungry for the power and Presence of God to transform them! They are learning to Rise Up in the power of Holy Spirit!

LIT- Living in Truth-Our middle School girls conference was powerful! Friday evening, we had a powerful word from Lissette Telemaco and Lenore Casal led us into the Presence of God in worship!

Saturday morning, we spent time sitting in God's presence teaching the girls to quiet themselves and hear from God. Holy Spirit came in and gave a specific word of healing for girls with depression/anxiety and those that needed physical healing. We took time to pray for one another and saw girls transformed! We had breakout sessions on being fearless as girls-gender identity-destroying lies the enemy is telling us; being fearless In our faith and walking it out on a daily basis. Candace Evans closed out our afternoon session challenging the girls to live fearless and that they have been giving the keys to walk out their faith! We had a ton of fun mixed in with a late-night black light party and of course food!

We believe in missions and last year we raised over \$17,000 for Special Touch Ministries! Not only do we support our Coins for Kids Project, but we give in many other ways as well. The girls brought in just over 500 bags of personal items for David Houck's outreach to the children in the Ocala National Forrest area. Girls Ministries also supports our Youth Alive Missionaries, Joe and Natalie Barnoske with a monthly pledge, RAM Ministries missionaries, Kim and Rich Greenwald, and we helped several girls go on missions trips over the summer months! Girls Ministries invests in missions and believes in teaching our girls to give and go!

Along with events for girls, we pour into the lives of GM leaders across the state with trainings to equip them to effectively minister and encouragement to endure! We want to support the local church and help them to reach girls of all ages, disciple them with the Word so that they are rooted and grounded and filled with Holy Spirit to influence their world! One encounter with Jesus changes everything!

Thank you for your support as we continue to reach this generation of girls!

Mpacting Generations,

Bonnie Pait
District GM Director

Royal Rangers Report

Doug Moon, Director

The year of 2018 was another successful year for the Royal Ranger Ministry in our District. We added several new outposts and had improved attendance at many of our events across the District. Hundreds of boys and young men's lives were forever changed as a result of the efforts from the dedicated men from our local churches. Many boys came to the saving knowledge of Jesus Christ at our events and I'm sure many more did in local outposts. It's hard to know the impact that these men have in church every week and at events sponsored at our local churches. We will know the impact one day in eternity.

Once again, our Pow Wow was the highlight event of the year. We had a 6%-8% increase in attendance and the overall event was a huge success. We were blessed to have Pastor Raburn as our speaker last year. On Saturday night, about the time our services were getting started it rained for about 10 minutes, so most all the outposts headed back to their camp sites. As the rain stopped, I asked the band if they would still like to play for the 100 or so people that stayed through the rain. They agreed, and as they played a couple of hundred more people came back. As they played the Spirit of God came in and took over the service. Pastor Raburn, complete with a trash bag for a rain coat, preached a great Spirit Filled sermon. It turned out to be one of the best services I've attended anywhere in years. God poured out His Spirit on all those that stayed through the rain or came back after it quit. Even though things hadn't gone as we had planned, God knew exactly what He was doing. Just like He always does.

Thank you once again for your commitment to our ministry and to the men that help us make it happen. Without you or them, we certainly wouldn't be able to do what we do. Thank you also for your faith in me and our staff. Your trust in us and allowing us to do what God has called us are greatly appreciated. We couldn't do

it without you and your support. May God richly bless each of you and the men in your church as we attempt to drag as many boys to Heaven with us as we can.

Respectfully Submitted,

Doug Moon
District Director

Men's Ministries Report

John Hensel, Director

2018 MoMENTum Conference

- Theme: Courageous MoMENTum
- The 2018 Men's conference was held April 20 - 21 at Faith Assembly of God, Mainstream, in Orlando, Florida.
- The Main speakers were former MLB player and Pastor/survivor Bryan Koch, National Men's Director Rick Allen, and PF Mens' Director John Hensel.
- Emcees were PF District Superintendent Terry Raburn and PF Assistant District Superintendent Scott Young.
- Three hundred, fifty-two men from fifty-one churches, plus vendors participated.
- A Pastors' Panel Forum was presented with District Treasurer Wayne Blackburn, Missionary/Pastor/ Presbyterian Under 40 Aaron Burke, and Pastor/PFDC Black Fellowship President/President of the National Black Fellowship/General Council Presbyterian Michael Nelson.
- The worship, the services, along with more than 20 equipping sessions were super-charged by the Holy Spirit!
- One attendee, unsure of wanting to attend the conference when he arrived, paid for the entire conference following the Friday night service. His face and attitude were totally different. He was a changed man!
- Lead Pastor M. Carl Stephens, Pastor Wayne Sidley, and the Orlando Faith AG staff did an excellent job hosting the event.

MoMENTum/LFTL Golf Tournament

- This event was enjoyed by golfers at the Eagle Creek Golf Club in Orlando, Florida while raising funds for LFTL and PF men's Ministries.
- Each organization sponsoring a hole received recognition at the hole and in the MoMENTum Conference handbook.

Men's Rep Retreat - August 24-25

- This annual strategizing retreat was held at the Saratoga Best Western in Kissimmee, Florida.
- Director Hensel led the men in a focused time of prayer for the team's personal needs as well as seeking the Lord's direction and will for the advancement of Men's Ministries in Pen Florida and for the 2019 events.
- Men's Reps were trained on the new Discipleship Resources Training materials and began planning dates to make these materials available for pastors and men's leaders in 2019.
- The updated MoMENTum Strategies and Procedures manual was reviewed, and each rep gave insight into his area of responsibility.
- Reps and spouses enjoyed fellowship at the local Olive Garden Friday night and the Central Florida Zoo and Botanical Gardens on Saturday.

Deep Sea Fishing Events Combined with PFDC Adult Ministries

The November 2017 Fall Deep Sea Fishing trip was rescheduled for January of 2018 but because of bad weather and the boat experiencing mechanical trouble the event was actualized on March 3rd.

- Ninety-seven men, women, and youth from twenty-one churches across Pen Florida participated.
- The 2018 Fall Deep Sea Fishing trip was held November 10 with 16 churches participating.

Armor Bearers

- Thirty-nine men participated in this grass-roots effort to support ministry to men and were honored at MoMENTum 18.
- The program challenges the men of the Pen-Florida District to live in integrity, unity, and faithfulness while supporting the district Men's Department with a \$10 monthly contribution.

Ministry Champions

- In 2018, 16 churches supported the Men's Ministries department.
- Ministry Champions is purposed for churches to provide support with monthly contributions to help facilitate the advancement of ministry to men.
- Newly subscribed churches receive a complete Week of Prayer and Fasting kit.

Discipleship Resources

- Launched in 2018 Discipleship Resources is divided into the Four Dimensions of Manhood which covers every area of a man's life.
 - Relationships
 - Identity
 - Purpose
 - Vision
- Discipleship Resources Training was introduced in late 2018.
 - This training enables pastors and men's leaders to develop an effective discipleship strategy for their ministry to men.
 - Keep watch as training for men's ministry continues to expand in 2019.

Thank you, Men's Ministries Reps, for your continuing good work in your sections!

John R. Hensel, PFDC Men's Ministries Director

We appreciate the churches and individuals who contributed in 2018.

<u>Armor Bearers</u> \$4,610.00	<u>Church Contributions</u> \$3,188.95	<u>Ministers' Contributions</u> \$135.00
<u>MoMENTum Conf. Offering</u> \$1,222.50	<u>Designated LFTL</u> \$7,535.00	<u>Total Contributions</u> \$16,691.45
January 1, 2018 <u>Balance on Hand</u> \$1,497.09	<u>Receipts</u> \$38,909.92	<u>Disbursement</u> \$38,269.63
		December 31, 2018 <u>Balance on Hand</u> \$2,137.38

Women's Ministries Report

Deanna Shrodes, Director

PF Women exists to help women of every generation thrive and reach their God-given potential through the power of the Holy Spirit. In helping women thrive, we value leadership development. We began our year strengthening women in leadership through the STRONGER Conference. The general sessions, practical leadership tools and networking opportunities were of tremendous value to the hundreds of female ministers, spouses of ministers, women's ministry directors, business women, and up-and-coming leaders. Jeanne Mayo spoke into our lives in the general sessions and there were over 20 specialized workshops geared to help women in their area of service.

PF Women also hosted a leadership luncheon at District Council and over 350 district leaders were present. Our guest speakers were Pastors Ron and Susanne Cox. This event was an opportunity for leaders to gather around the table and enjoy a great meal, conversation, and a valuable leadership teaching. It also afforded us a few minutes to share with district leaders about ways PF Women can help them, and the local church.

During the month of May we hit the road, taking THE FEARLESS TOUR to 17 cities in our district. Women from coast to coast experienced breakthroughs in becoming fearless for God and lives were changed forever. This tour is now our largest attended event, with well over 2,000 women attending a tour stop.

Momentum continued to build for the upcoming THRIVE Conference. Once again despite increasing our room block significantly, we sold out. The conference featured speakers Tammy Trent, Joyce Rodgers, Adelita Garza, and Deanna Shrodes. The altars were filled with women receiving Christ as their Savior, hundreds received the baptism in the Holy Spirit and miracles of healing took place.

In January, PF Women began featuring a weekly podcast as part of our PF Women Stronger Leadership Network which serves to help women leaders become even stronger for God's glory. We share the weekly podcast each Wednesday. Although we intended the podcast to be a tool to help build, equip and motivate Pen Florida leaders, we are astounded and humbled at the extent of our listening audience that spans not only Pen Florida but most of the United States and 13 other countries.

Touch the World missions went to a whole new level as we came in at second place out of all the districts in the United States in the Assemblies of God! In addition to supporting our Pen Florida missionaries with funds for household goods, we were able to give to several other mission projects including Pen Florida U.S. Missionaries Steve and Sandra Hogue, as well as Project Rescue/Salvation Home in India with our Pen Florida World missionaries Ken and Tiffany Belbin. In addition to these projects we also took a missions trip to Honduras, and 22 women from 18 different churches in the district were a part of the team. While there we accomplished a construction project at the Honduras Life Center, hosted a conference for spouses of ministers, distributed food in remote villages, ministered in Sidewalk Sunday School and in local churches. People were impacted forever for the glory of God.

We are so thankful to our supporting churches as well as our 1000 Sister partners who make the fulfilling of our mission possible. For the fifth year in a row our ministry has operated in the black and we have been able to do more for God than we have ever done, thanks to your giving.

We are gearing up for the spring/summer tour: THE LET IT GO tour 2019. We will be making stops in 18 cities (including the Keys!) and are believing for amazing things as we move forward in the purpose, power and presence of God.

THRIVE 2019 will be a major step of faith as we take on a two-year experiment in having our general sessions and breakouts at the Daytona Ocean Center Arena!! We were growing so close to capacity in our hotels, we felt this experiment was a needed one. Our theme is "Imagine" and we can only imagine what God will do!! We will gather October 3-5 for an unforgettable time in the presence of God. Our special guests will be Karen Wheaton, Lindsey Wheaton Doss, Sonia Figueroa and Lisa Shaw. There will also be breakout sessions for teen girls, young adult women and women in leadership.

One of the hallmarks of PF Women is that everything is accomplished through a team. We believe in teamwork not just as a theory but in practice. With that said, I am so thankful for our outstanding team.

One of our core values at PF Women is that we are an oasis of excellence, and truly they live up to that! I am so grateful for team members who go the extra mile - many of them working DAILY for this ministry! An extra special shout out goes to my assistant, Judi Cotignola, who pours her heart and soul into all that we do day in and day out.

I am thankful for the support of the leadership of our great district -- our Superintendent and his wife, executives and spouses, the presbytery, district office staff, and most of all my family. My husband Larry has made many sacrifices so that I could fulfill the call of God. I love you, babe!

In the coming year, PF Women will continue to passionately pursue our mission. Thanks to every pastor, leader and church who has supported us in any way this past year. You are never, ever unnoticed and you are loved.

Here to help,

Deanna

Women's Ministries wants to thank the churches who have supported us in 2018:

Tampa Celebration Church	\$2,800.00	Jacksonville Words of Light Church	\$ 300.00
Jacksonville Evangel Temple AG	\$1,200.00	Lakeland Southside AG	\$ 240.00

Total	\$82,555.52

Youth Department

Casey Casal, Director

We had a great year in PFYouth! We dreamt bigger, believed for greater and experienced God move powerfully in all of our events. We are so grateful to all of those who have come along side us, supported, dreamed and encouraged. We truly have an amazing team surrounding us.

What a great leadership team for PFYouth. Thank you to those who served as our Assistant Chris Screws, Secretary Kristian Reyes and Speed the Light Strategist Eric Delaney (formerly Jeff Johnson) for their creative minds, unwavering support and belief in the Youth Department mission. Our sectional reps and STL Coordinators are also such a critical piece in much of what we do. Mark Hylton (STL-N), Dan Meys (1), Jun Gonzalez (2), Mike Lane (3), David Houck (4), Nate Buker (5), Michael Williams (6), Meredith Hobbs (7), Matt Whidden (8), Marcus Windle (10), Kaleb Conley (11), David Adams (12), Dion Daniels (13), Sam Neal (14), Sam Lopez (15), and Cody Scott/Jose Pagan (16). Tim McDaniel has continued to serve faithfully as the Teen Bible Quiz coordinator and Dan Anderson has served well as Junior Bible Quiz Coordinator. Tammy Stanley serves at the Youth Department's assistant. She works tirelessly to make sure all the details of our events are covered as well as a plethora of other administrative needs for PFYouth. Lenore Casal continues to minister to and counsel many of the youth pastors' wives, female youth pastors and students while also working at Sarasota Medical Pregnancy Center ministering to abortion minded women. She is a ministry machine and I love to have her by my side as a partner in ministry.

PF Youth Alive is moving forward and about to make a significant impact on schools throughout Pen Florida. Joe and Natalie Barnoske our PF Youth Alive Missionaries have done a remarkable job working with youth pastors and pastors to reach school campuses. PF Youth Alive has 2,181 campus missionaries in our schools and was just funded by Speed the Light for their equipment for The Seven Project. The Seven Project is school assemblies that deal with real life and character issues faced by students. These programs include video segments, music, speaking, and strong calls to action. Jeff Staudte joined the team as your PF Youth Development Missionary. He is under the "Youth Alive" umbrella but plays more of a role in placing youth pastors, helping revitalize youth ministries and working closely with our Chi-Alpha Missionaries. He has already placed 3 youth pastors in different ministries around Pen Florida and is working on placing more this year.

The PFYouth Leaders Conference was held February 22-24 at Faith Assembly of God in Orlando. What an amazing weekend it was. Thursday night I preached a message entitled "My Pet Snake" and spoke to them regarding the dangers of the Spirit of Python in their ministry. We want them to continue the momentum towards revival and not get distracted by the enemy. On Friday Terry Parkman Generations pastor at River Valley Church in Minnesota shared about reaching this generation, generation Z and reaching our generation. We had youth pastors on Friday night linger at the altars until almost midnight. The presence of God was so heavy. Finally, Saturday Steve Mason (DYD Alabama) spoke on stepping into our calling with power and anointing. What a word! I can't express my gratitude any more for their obedience to the Lord and speaking such powerful words into the leaders of this district. We also introduced a new "Ted Talk" style on Friday morning called the "Generation Sessions" We had four speakers; Terry Parkman: "Who is This Generation", Johnnie Wilson: "Creating Culture for this Generation", Phil Urdiales: "Embracing This Generation" and Terrance Wilson: "Marketing to This Generation". The youth leaders enjoyed this so much and were encouraged as we filled their notebooks with so much knowledge from some of the top voices in the youth ministry field.

Bible Quiz is an awesome discipleship tool that challenges students to not just read the Word, but to memorize the Word. Joshua 1:8 "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success."

Junior Bible Quiz represented well! The top teams at the District Finals were:

- Orlando Faith Assembly of God
- Lakeland Victory Church
- Fruitland Park LIFE Church

Pen Florida was represented by two of our top teams at the National JBQ Festival. Out of the 80 teams participating, they placed in the following manner:

- Orlando Faith Assembly of God – 64th Place
- Lakeland Victory Church - 68th Place

Teen Bible Quiz also did in incredible job! Pen Florida's top District teams in A-League Quiz Jacksonville Freedom Christian Fellowship, Wesley Chapel Life Church, and Lakeland Harvest as well as Middle School Quiz's Wesley Chapel Life Church and

Fruitland Park LIFE Church qualified to advance to the Regional Bible Quiz Finals. At Regionals Jacksonville Freedom Christian Fellowship placed 2nd in A-League; Wesley Chapel Life Church was 34th. Both teams qualified to advance to Nationals. Once again, Wesley Chapel Life Church was the Middle School Quiz Regional Champion for at least the 3rd consecutive year. Both Jacksonville Freedom Christian Fellowship and Wesley Chapel Life Church represented Pen Florida at the National Bible Quiz in Naperville, Illinois. The students from Jacksonville managed to tie for 10th place in the Challenger Division. Wesley Chapel tied for 15th place in a very competitive and hard-fought competition. Jacksonville's Davey Motta placed 22nd overall in individual scoring in the Challenger Division. Wesley Chapel's Helyn Dunn was 25th individually, while teammate Caleb Addis and Jacksonville's Isaac Lee tied for 27th place. Helyn also won a \$500 scholarship during the Finals Banquet as the SE Region's pick for the National Memorization Award.

Chi Alpha is such a strong ministry for our college students in PenFlorida. God is doing big things on the college campuses. Our campus pastors and leaders in Pen Florida include Rev. Steve and Charlene Michaels whose focus is with the Chi Alpha internationals (XAI) at the University of Florida; Ryan Galloway at the University of Florida; Rev. Joe Lortie at the University of Miami; Rev. Charmaine Townsend at the University of Central Florida; Juan Garcia at the University of South Florida; Chris Wheeler who is the director for the Chi Alpha Internship center out of Fort Myers First Assembly of God and at Florida Gulf Coast University; Bryan Sutton at Florida Southwestern State College; and Rev. Lee Jenkins focuses on the Muslim students that attend University of South Florida. We are so thankful for all of their incredible work for the Kingdom. Jeff Staudte has also worked closely with Chi-Alpha to create a stronger communication between the District Office and our great XA Missionaries.

The Fine Arts Festival is such a great tool not just to develop and deploy their gifts but also a great way for them to be disciplined. Our district festival was held April 26-28 at Faith Assembly in Orlando, where we saw over 1,550 students participate in over 1,500 events. We are proud of those who advanced and participated in the National Fine Arts Festival on July 30-August 3 in Houston, Texas. It is surreal seeing the amount of students who participate at the National Level from Pen Florida! The talent that this district is blessed with is incredible. Lenore and I are so proud of all that they have accomplished.

National Fine Arts Festival: 160 TOP 10 PLACEMENTS and 75 TOP 3 PLACEMENTS

National Merit Award Winners:

- American Sign Language Group – 2-for-1 - North Fort Myers Faith
- Bass Solo – Landon Gavern – Kissimmee Living Water Fellowship

- Songwriting – Cara Fullam – Orlando Faith
- Songwriting, Modern Hymn – Shanice Muscadin – Kissimmee Living Water Fellowship
- Urban Solo – Nicholas Granavel – Orlando Faith
- Visual Art, Three-Dimensional – Syre Mussenden – Orlando Faith
- Vocal Solo Female – Janisse Quinones – Kissimmee Living Water Fellowship
- Vocal Solo Male – Chandler Groover – Sarasota Church of Hope
- Worship Team – LW Worship – Kissimmee Living Water Fellowship

Summer Camp In six camps we saw 2367 attend. Camps were sold out weeks before the deadline and we had to house students in hotels each week of youth camp. This is an area we need to figure out moving forward. Our needs for Summer Camp in the future: We will add more staging and water hydration. We also want to add more to the camp so that we can have more recreation. Again, adding dorms has to be a focus for us in the near future as camps are growing! This year we saw 276 first time decisions, 921 rededicated their lives, 629 felt a call to ministry and 1674 were filled with the baptism of the Holy Spirit with the evidence of speaking in tongues! God moved and we are thankful that we also saw 788 HEALED of either emotional, physical or spiritual healing. And, we had 168 water baptisms. We truly saw God do the miraculous and will continually believe for more. A big thank you to Pen Florida District Kids Ministries Director Sydney Morrow and her team for leading an amazing 2 weeks of kids camp which also were filled with salvations, miracles, and children filled with the Holy Spirit.

Miami Mission Over 81 AIMers went into Miami and served, over 145 salvations, 3 physical healings, and over 1000 in attendance at 3 different sites. Shared the Gospel, encouraged people, worked hard and did so with humility and joy! Students worked at 3 different areas, Florida City, House of God Temple in Liberty City and Redlands Housing Authority in Homestead. At each of these places they did one on one evangelism, built parks, helped with homes and loved on the kids of the neighborhood. We had services each night and saw so much fruit from the labor of the days. So thankful for David Houck and his team who continue to help lead the efforts at Miami Missions and who work so diligently at one of the most powerful trips a student can go on as they reach those in their own back yard!

El Salvador El Salvador was amazing!! We had 24 go on the trip to work with Missionaries Don and Terri Triplett. We worked in local schools, did street ministry and ministered in churches. We shared the gospel in the “Red Light District” with women who have been trafficked. The team did 11 Programs with 1490 people reached, 465 salvations, 701 problems prayed for 639 people prayed for healing (in self or family) 7 miraculous healings and 3 PFYouth Students filled with the baptism of the Holy Spirit. One incredible testimony was of a 21 year old woman who was completely mute. Our team prayed for her and she spoke her first word, that word was...JESUS! Thank you to pastor Harley Capsuto, and Pastor Dominique Zamora who came on this trip and brought their students.

Rise Conference This is one of our largest events! It is an awesome time for students to come for two days and get their lives significantly impacted! Rise was held at Orlando Rosen Shingle Creek Resort on November 16-17. We saw over 2200 students and leaders attend this year’s Rise. Mosaic MSC led in worship, Nathan Morris spoke on night one, Heath Adamson shared for our Speed the Light service, and Chris Estrada closed us out. The Holy Spirit was evident, the intimate atmosphere of worship was special and God moved in many lives.

Speed the Light is what missionaries depend on for essential transportation and creative communication to see souls saved and lives changed. It has been incredible to see all that Speed the Light has provided this past year. We are also excited about Speed the Light in 2019! We were able to see an increase from 2017 giving of over \$42,940 for STL. Our total for 2018 was \$509,226.14. We hit the mark we set for last year of \$500,000. A big thank you to Orlando Faith Assembly who gave \$111,442.21 to STL. In addition to Faith, we had three more churches in the Top 20 in the nation for STL giving. Fort Myers First Assembly - \$71,274.63, Gainesville Greenhouse Church - \$60,549.00, Palm Springs Bethel - \$52,000! What an accomplishment to these churches. There were also three other churches that made a significant impact with Oxford Assembly at \$22,143.55, Lakeland Harvest - \$19,051.10, and Jacksonville Southside - \$11,738.37. They have caught the vision for Speed the Light. Now we look to hit \$700,000 for 2019. We were also able to release funds for the following:

Vehicles:

2018 Isuzu for Sam Bowdoin in the Philippines; a first term vehicle for Greg Lewen in the Canary Islands; 2018 VW Atlas for John

Carrano in Spain; a next term vehicle for Europe Convoy of Hope; a 2017 Chevy Express for Teen Challenge of Sanford; and a 2017 Renegade mobile command center for FREE International.

Technology:

\$40,000 of equipment for LIVE DEAD Arab World; \$50,700 worth of TV Studio Equipment for AGWM Unision International

Church Plant Grants:

CLife Orlando; Restoration Church; Radiant Church Downtown; WellSpring Church.

We are so thankful for the churches that help make STL a success and understand the vision of Speed the Light. We are looking to hit over \$700,000 this year and we firmly believe this can happen because more and more churches in our district are seeing the impact STL is having around the world.

To follow is the total giving list from churches in 2018. We deeply appreciate the efforts of the local church so that we can see missionaries “got into ALL the world”. We also would like to challenge all who gave in 2018 to give 10% more this year! Help us reach the \$600,000 mark for STL Giving.

In 2018 churches gave \$11,871.53 in support of the ministry of PFYouth. In 2019 we need your support to go where God has called us to go. Join us in helping this generation and support PFYouth financially. The best is yet to come!! Log onto www.PenFlorida.org and support your district youth ministries! Help us create a new culture of students and leaders, FILLED with the Holy Spirit, HUNGRY for righteousness, PASSIONATE for missions, and DESPERATE for revival!

Lenore and I are blessed to be a part of this incredible district and honored to serve alongside some of the best youth pastors around. We are also humbled to work with such a phenomenal district team. Let’s make an impact together as a district!!

Credentialed Ladies Report

Susan Pippin, Director

Socially Connected

Hilariously in Love with Jesus

About the Father's Business

Real with One-Another

Excellence in our Accomplishments for God's Kingdom

We "SHARE" in prayer, encouragement, testimonies, family high-lights, devotions, leadership resources and getting to know one-another.

Our "THEME" (A Heart to Know Me) Jeremiah 24:7

Our "GOAL" to help facilitate the ministry gifts of each lady to further the purpose and plan God has for her life.

Our "STRATEGY" is to utilize our new FACEBOOK GROUP (Credentialed Ladies of Pen Florida) to reach out and equip those in our sphere of influence where God has placed each one of us with Leadership articles and personal helps.

Our Credentialed Ladies are responding to the call to mentor those younger ladies who are studying for their credentials. We are now connecting with Credentialed Ladies Presbyters across the nation with the assistance of Donna Barrett, our new General Secretary. We have 14 ladies being ordained at the 2019 District Council.

Special thanks to Joe and Natalie Barnoske for their assistance with our graphics, Instagram and "Our Story."

Worship Arts Ministries

Lyndsay Naranjo, Director

Each week across Pen. FL the praises of our Mighty King rise before His throne. I am so grateful for the people of God and those He has positioned to lead His precious ones into His presence. Thank you to every worship pastor, leader, and volunteer who work tirelessly week in and week out to create a powerful worship experience in their local church.

Our desire is to support and connect with worship leaders. While we each minister at churches of different demographics and cultures, it is important that we form a network in which we can engage with and support one another in Christ's work. The best way to start this process is for each worship pastor and leader to visit our worship ministries page at www.penflorida.org/worship and take a moment to fill out the information requested.

I look forward with great anticipation to all God has in store in the days ahead. May His praise be continually in our mouths and forever in our hearts.

Respectfully Submitted,

pl@flfirstag.org

Lindsay is an Ordained Minister with the Pen-Florida District and has served as the Worship Pastor at Florida's First Assembly, in Wauchula, for 13 years.

Born in Canada, she began ministering full-time with her family at the age of 14. Lindsay attended Bethany Bible College and Pen-Florida District School of Ministry. She has a passion for worship and her heart is to corporately lead the body of Christ into His presence.

Lyndsay has been happily married for 13 years to her amazing husband, David, who partners with her in life and ministry.
